Notices

- * Tickets must be used in sequence. The departure and arrival time of flights is 24-hour local time. (if the departure time shows 02:00 on January 23, it means that it takes off at 2 a.m. on January 23, please arrive at the airport on the evening of January 22 to check in)
- * It is recommended that you arrive at the airport at least 120 minutes (domestic trip) / 180 minutes (international trip) before the flight takes off, and go to the check-in counter on time with the valid identity information used during ticket purchase. The check-in counter ends 50 minutes (domestic trip) / 60 minutes (international trip) before the flight takes off.
- * It is recommended that you check the official website or APP of your flight before traveling to understand the general transportation conditions of your ticket and baggage transportation rules such as prohibited or restricted items. Please consult the airline company if checked baggage can be directly transported, and the specific information is subject to check-in at the airport counter of the airline.
- * The contents of the itinerary are for reference only and are not used as the basis for check-in. Please pay attention

to the flight dynamics. In case of any change in flight information such as flight number, departure time and model, please refer to the actual publicity information of the airline. Before departure, please carefully check the relevant regulations of the departure place, destination, stopover (transit) place, health quarantine, epidemic prevention and control policy, customs and other relevant regulations, and reasonably arrange the trip to avoid losses.

* The ticket is valid for one year from the date of issue. It is recommended that you print the electronic itinerary for backup before your trip. Please keep the complete boarding pass and baggage tag after check-in at the airport until the end of your trip. I wish you a pleasant trip.
