REQ n.3771/2025

REQUERIMENTO Nº___/2025 (DO SR. ALIEL MACHADO)

Senhor Presidente:

Nos termos regimentais, **requeiro o envio de indicação à Ministra de Estado do Meio Ambiente e Mudança do Clima**, Senhora Marina Silva, para que sejam adotadas as providências necessárias à **criação de uma unidade de conservação federal, na categoria de Parque Nacional**, abrangendo aproximadamente **42.500 hectares** nas regiões das **serras do Araçatuba (Paraná) e Quiriri (Santa Catarina)**.

Em 18 de março de 2024, foi veiculado na imprensa que os deputados estaduais **Goura (PDT/PR)** e **Marquito (PSOL/SC)** apresentaram proposição semelhante em âmbito estadual, demonstrando o interesse regional na conservação dessa importante área de Mata Atlântica e campos de altitude. Todavia, até o momento, não se identificam iniciativas públicas do Instituto Chico Mendes de Conservação da Biodiversidade (ICMBio) ou do Ministério do Meio Ambiente para viabilizar a proposta.

A criação do referido parque nacional contribuiria para a preservação da biodiversidade, a proteção de nascentes, o estímulo ao turismo sustentável e a valorização de práticas de uso responsável do território. Para subsidiar a análise técnica por parte do MMA e do ICMBio, **anexo a este requerimento levantamento fundiário preliminar da área, contendo mapa e relação dos imóveis incidentes**.

Dessa forma, e também ressaltando a ocasião do Dia Mundial do Meio Ambiente, solicitamos ao Poder Executivo federal que avalie a viabilidade da criação da unidade de conservação, com a realização dos **estudos técnicos, consultas públicas**, e demais **etapas previstas no SNUC**, promovendo o necessário diálogo com os entes federativos e a sociedade civil.

Sala de Sessões, 04 de junho de 2025.

Deputado **ALIEL MACHADO**
